### Features Key:

- Live your Dreams as a Manager and a Player. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
- Drive Real World Moments with the brand new, engine-powered Live Shot Animation System. With Live Shot, FIFA players can make a difference by taking a shot from the top of the box and turning it into a one-of-a-kind goal celebration. It's a powerful new way to drive game moments.
- THE WORLD IS YOUR OCEAN. Take your personal and league geographies and dive into the deep in the brand new Football Generator. Choose your squad and begin a game on any of the 25 new pitches. Create your own team, or dive into your friends' leagues and modes using the new one-club Universe Mode.
- More Ways to Prove Yourself. The brand new PROVE SYSTEM lets you customize your stats to show off your strength, stamina and speed.
- NEW OPTIONS. Kick the ball as you move and go into the box as a defender. Create a new style of play and put your back to the wall.
- Fixed issue that prevents achievements from unlocking after restarting Matchday.
- PITCHY MULTIPLAYER. Enjoy head-to-head controls in any Stadium to compete on any pitch and make any tackle, using just a single controller. FIFA 22 is the only football game that allows this.
- PLAY THE CAMERA AWAY. Immerse yourself in living and breathing stadiums with new Ball Physics. Aim, pass, defend and decide which team is champion. Play how you want.
- BRAND NEW KITS. Adidas and Nike turn the living game world into a living theme park with

- 
- over 25 new kit designs.
- DYNAMIC WEATHER. Play through conditions that will test your technique, and every game presents new challenges, including snow, rain, and season changes.

Mario Kart 8 Deluxe is the Wii U and Nintendo Switch version of Mario Kart 8, the latest kart racing game. The game is also available for the Wii U, Nintendo 3DS and the Wii U Virtual Console. This game is available for download in the eShop on the Wii U, Nintendo 3DS, Wii U Virtual Console and Nintendo Switch eShop on consoles. The Nintendo Switch and Wii U versions of the game can also be purchased as a retail packaged product or download via the Nintendo eShop. This new pack includes three special retro kart Unboxing the 3DS XL: Not very impressive. :) Review: The 3DS XL was released in 2012 and actually this year, but since I didn't get it last year, I didn't review it so this year I'm reviewing it. This year the 3DS XL looks just like Mario Kart 7. The games are all the same, but some additions have been made. The battery is a little bigger, this is the one I have, but you can buy both of them. The software is the same, but there are some new software added. As for design, it's the same as Mario Kart 7, but the 3DS XL is a bit higher than the 2DS XL, not much of a difference. The overall design and its manufacturing doesn't look bad, and it seems to be sturdy. But before getting the 3DS XL, take a look at the packaging. The 3DS XL comes with a strange retainer, because it holds the 2DS XL inside, but when you take the 2DS XL out, bc9d6d6daa

## **What's new in Fifa 22:**

- **The latest edition of FIFA 22**
- **“Speed of play” slider for passing and shooting. A great real-life option for players who enjoy intense competition as well as real-life.**
- **HyperMotion Technology, gives players greater player awareness, includes a new Player Pass and Player Control, including the new “float” mechanic, and new tricks and skills.**
- **New grass surface improvements**
- **New player likeness improvements. Clearing the headwear layers ensures the correct head and proportions are displayed. Improved musculature allows realistic movement and greater confidence with body type analysis**
- **New goalie models that give a more detailed, yet less realistic, portrayal of a goalie making saves.**
- **New player animations. Shows emotion in players’ faces, both when tackled and when they are celebrating a goal.**
- **New ball physics. Almost perfectly recreates the movement of a real football, including gravity changes based on ball speed and the angle.**
- **New tackling animations. Players’ faces are more expressive and their bodies more dynamic when they go in for the tackle. Accurate, responsive and functional, you’ll see more of what you need to see to understand what’s happening on the pitch.**
- **New goal celebrations. From racing into the crowd to bouncing on their feet, keep your eyes on the player as they show off their skills.**
- **New Faces. Referee, substitutes and team officials will appear on-screen as a real-time update. Families can now choose to see goalkeepers’ faces painted green for the opposite team.**
- **New Player Progression system and new Player Value ratings. New Player Progression system handles signings and player transfers and encourages you to progress through the club ranks and win trophies that help you move up the club hierarchy. Under this system the club**
